<sup>1</sup> NOTE: Recipients who have income in addition to their SSI/SSP check (for example, a pension, Social Security retirement, or disability benefits) can be charged the **\$853.00** amount for basic services plus an additional \$20. Because federal rules do not count the first \$20 of a recipient's income against his/her SSI/SSP grant, an SSI/SSP recipient with other income has an extra \$20 that people who receive only an SSI/SSP check do not have. Neither federal nor state law restricts the recipient in how this additional \$20 amount is spent. Thus, if the recipient agrees in the admission agreement to pay the additional \$20 for basic services, the facility may charge the additional amount.
